Dear Valued Community Members and Businesses,

Food Bowl is just around the corner and Montesano High School is making plans to continue with our tradition of collecting food and money for the Montesano Food Bank. My name is Cassadie Golding, I am currently the ASB President, however, I have been the Business Manager in charge of Food Bowl for the last three years.

Every year I see more and more involvement in our community, and for my senior year I wish for nothing different. During this historic time, we ask that you help make a contribution to make this year as successful as possible.

This year we have elected to stay away from events that can cause the spread of the CoronaVirus. So we ask that if you make a donation that you do it through our Revtrak URL or by sending a check made out to MHS. All of your donations are deeply appreciated not just by me, but throughout the community.

Sincerely,

A handwritten signature in black ink that reads "Cassadie Golding". The signature is written in a cursive, flowing style.

Cassadie Golding  
MHS ASB President 2020-21
